Welco Octobe	ome and Registration			
19:00	20:30 Welcome cocktail 11:30 Gala dinner			
Octobe				
8:00	9:00 Registration	Organizing Committee	IOLED's Provident	
9:00	9:15 Openning session	Kevin Tebrinke	ISL-FD's President	USA
Keyn	ote Speech Progress and Challenges in the Science and Technology			
	10:15 of Pharmaceutical Freeze-Drying. 10:30 Q&A	Steve Nail	Baxter	USA
10:30	10:45 Coffee break and Exhibition session			
	ion 1: Fundamentals			
	11:15 Liposomal in Lyophylization/analysis	Virgilio Tattini Jr.	Lyohelp	Brazil
			Improvement Proquimo	
11:15	11:45 Liposomal in Lyophylization/formulation	Jorge Sassone	Brazil	Brazil
	Stabilization of protein drugs during lyophilization process - theoretical concepts and practical considerations	Madhav S. Kamat	Independent Consultant	USA
	12:45 Forum discussion/Questions	Moderator:	ISL-FD's member Organizing Committee	
12:45	14:00 Lunch break			
Sessi	on 1: Fundamentals (continued) Molecular product visualisation during pharmaceutical			
14:00	14:30 freeze-drying use of Design of Experiment Approaches in the	Thomas de Beer	Ghent University	Belgium
14:30	15:00 Lyophilization of Biologicals	Paul Matejtschuk	NIBSC	UK
	Preliminary study on freeze drying human platelets with 15:30 trehalose+HES+BSA	Shaozi Zhang	Zhejiang University	China
	16:00 Forum discussion/Questions	Moderator:	ISL-FD's member Organizing Committee	1
	16:15 Coffee break and Exhibition session			
16:15	17:15 ISL-FD Annual Meeting			
<u>Octobe</u> Sessi	er 3rd ion 2: Engineering & Industrial			
8:30	8:45 Opening			
8:45	9:15 Design related aspects of lyophilizer scale up	Maik Guttzeit	GEA Lyophil	Germany
9:15	New technologies for loading systems using the Isolators 9:45 and RABS	Ernesto Renzi	IMA Life	USA
				USA
	10:15 Forum discussion/Questions	Moderator:	ISL-FD's member Organizing Committee	USA
9:45	10:15 Forum discussion/Questions 10:30 Coffee break and Exhibition session			USA
				Italy
10:15	10:30 Coffee break and Exhibition session Toward full noninvasive monitoring of a freeze-drying	Moderator:	ISL-FD's member Organizing Committee	
10:15 10:30 11:00	10:30 Coffee break and Exhibition session Toward full noninvasive monitoring of a freeze-drying process Rapid Moisture Monitoring and 100% Container Closure	Moderator: Roberto Pisano	ISL-FD's member Organizing Committee Politecnico di Torino	Italy
10:15 10:30 11:00 11:30	10:30 Coffee break and Exhibition session Toward full noninvasive monitoring of a freeze-drying process Rapid Moisture Monitoring and 100% Container Closure 11:30 Inspection of Lyophilized Vials 12:00 Forum discussion/Questions	Moderator: Roberto Pisano Dr. Derek Duncan	ISL-FD's member Organizing Committee Politecnico di Torino Lighthouse Instruments	Italy
